## **Funding applications re-opening for Autumn and Spring term!**

Sport Unlimited is a nationwide initiative aiming to get more children and young people taking part in sport and physical activity, outside of school. Clubs, schools and other organisations across Sussex can apply for funding to run termly programmes of activity, based on local need. The initiative is funded annually by Sport England.

We still have funding for Year 3 and we are re-opening applications for the Autumn (September – December 2010) and Spring (January - March 2011) terms.

For the Application Pack, which includes further information, Sport Unlimited criteria and the application forms, please [click here](#) to visit our website. Applications for both terms must be emailed to me by the closing date of *Friday 28 May 2010 at 5:00 pm*.

Successful Autumn projects will be informed by the end of June 2010, leaving you the summer months to prepare for your project. Successful Spring term projects will be informed as soon as possible after this, and before the end of the academic year.

If you have any questions, please do not hesitate to contact me. However, I would be grateful if you would check the application pack first, as you may well find your answer in there!

Kindest Regards

Jo
