

Please will you **heavily promote** these training sessions because if we do not fill them they will be withdrawn, they **are totally FREE to the VCS**.

I realise you 're all very busy and may have other courses to promote, but this is a significant resource that has been made available to the VCS and I would like to try and fill as many places as possible to ensure this becomes a year on year commitment from the County/LSCB.

In advance thank you for supporting!
