

## HACVS E-bulletin Number 32-HW-2010

Due to the increase in the amount of information that needs to be cascaded out to our members, we have decided to introduce two categories of e-bulletins. One will be a specialist 'Health and Wellbeing' bulletin which will refer mainly to information around the health and wellbeing agenda, and the other will be a 'General' bulletin which will refer to everything else. These will be indicated by the suffixes 'HW' or 'G' respectively. We have also decided to commence at number one each year and to detail the current year for our own reference and ease of filing. We hope that you will find these improvements to be of benefit.
