

FREE HR ADVICE FOR SMALL ORGANISATIONS

The HR Services Partnership is running a 3 month pilot in which organisations in the voluntary and community sector, with a turnover of less than £500,000 per year are being offered free HR telephone support.

How does it work?

- As a guide, calls are likely to last no more than 10 minutes. (Callers with lengthy or complex enquiries will be offered the opportunity to access support at preferential rates)
- Lines are open 9.30am to 4.30pm Monday to Friday.
- The pilot will run until 31 October.

For on-going or complex issues or where you need practical support with...

Drafting or reviewing letters – meeting plans or attending meetings – written procedures and standard forms or more detailed advice on more complex issues ... **please contact us for an estimate.**

"The guidance and advice I have received from HR Services have been invaluable and helped me avoid the pitfalls that come with employment law. I have no hesitation in recommending the excellent service provided by HR Services to others."
