

## HACVS E-bulletin Number 40-G-2010

Due to the increase in the amount of information that needs to be cascaded out to our members, we have decided to introduce two categories of e-bulletins. One will be a specialist 'Health and Wellbeing' bulletin which will refer mainly to information around the health and wellbeing agenda, and the other will be a 'General' bulletin which will refer to everything else. These will be indicated by the suffixes 'HW' or 'G' respectively. We have also decided to commence at number one each year and to detail the current year for our own reference and ease of filing. We hope that you will find these improvements to be of benefit.

7 David Sheldon, Chief Executive – Horsham Matters Ltd, writes to say:-

The Horsham Matters Community Charity Centre is both open to the public like any charity shop, but also very happy to offer discounts for those unable to provide for themselves and I'd very much like to talk to organisations working with those in need about how we can best help their clients. I have plenty of printed copies of the leaflet if anyone would like me to send them some (attachment)
