

# Carers Support Service

NORTH AND MID SUSSEX

## **MENTAL HEALTH CARERS SUPPORT WORKER 37 hours per week**

**Salary £20,243 - £23,309 pa plus 6% pension  
and essential car-user allowance**

An opportunity has arisen for a specialist Support Worker for family carers who are looking after someone of working age with mental health issues.

To provide practical and emotional support to individual carers including information on carer's rights, access to carers assessments, advocacy support and the facilitation of carer's support groups. It will be necessary to develop close working relationships with the local Mental Health Teams particularly in the Mid Sussex area. An understanding of carers' issues and related mental health legislation is essential. Also a proven ability to work under own initiative and as part of a team covering the northern area of West Sussex. Position requires use of own car

Application closing date: noon Friday 24<sup>th</sup> September

Interviews: Friday 1<sup>st</sup> October
