

HACVS E-bulletin Number 03-G-2012

Due to the increase in the amount of information that needs to be cascaded out to our members, we now issue two categories of e-bulletins. One is a specialist 'Health and Wellbeing' bulletin which refers mainly to information around the health and wellbeing agenda, and the other is a 'General' bulletin which refers to everything else, each indicated by the suffixes 'HW' or 'G' respectively. We commence at number one every year and specify the year for our own reference and ease of filing. We hope that you will find these improvements to be of benefit.
