(NB Your attention is drawn to the typo on the last page. The last paragraph before the shaded area on the right comes to an end mid-sentence! The missing words are "... Strategy undertaken every three years.")

Dear All

Please find attached the SCS document which is out for consultation from today, ending the 13th March 2009. I have also attached a copy of the covering letter from Gary Shipton, Chair of the Horsham District Community Partnership. Please can you ensure that all members of your respective Theme Groups receive a copy of this document and are made aware of the consultation deadline. Hard copies of the document are available on request.

Thank you so much for your help.

Kind Regards

Tasha
