

## HACVS E-bulletin 5<sup>th</sup> May 2009

Title: **(1) Kidz Stuff 29.05.09 (2) Parkinsons Disease Society - 'drop in' 23.05.09.**

Dear members,

1. Just to let you know that Kidz Stuff is back in town! FRIDAY 29th May is for children with Special Needs. Please find details of the event on the attached Flyer and Poster. Please also visit [www.kidzstuff.org.uk](http://www.kidzstuff.org.uk) for details of the Festival, tickets, news, whats happening etc.

2. Susan West writes on behalf of the Horsham branch of the Parkinsons Disease Society:

We are organising a "drop-in" day on 23 May 2009 in the Barn on the Causeway in Horsham. The purpose of the day is twofold:

- to raise general awareness of Parkinson's, and
- for people with Parkinson's raise awareness of the Parkinson's Disease Society and learn more about complementary therapies

The barn will be open from 10am to 4pm. We hope people will either just call in for a short while (typically people without Parkinson's) or maybe stay all day (people with Parkinson's). At 12:00, Dr Minger of King's college London will be giving a talk on the Therapeutic and Research Potential of Human Stem Cells for Parkinson's Disease. We hope to have displays /demonstrations of pilates, reiki, reflexology, dance and art.

I do hope the above items are of interest to yourself and your organisation –

*JANET BROWN*
