Dear members,

- 1 Please see attached information for staff recruitment for the West Sussex Local Involvement Network. Feel free to pass on the information to others who may be interested.
- 2 Last week saw the launch of Big thinking, the consultation on the Big Lottery Fund's strategic framework for 2009 – 2015. Big thinking is about looking back on what has been achieved and looking forward to what can be done even better between 2009 and 2015. It is about celebrating success and learning from the accumulated experience of more than 10 years of Lottery funding. This is your opportunity to tell them what you think and help them decide where Lottery money can make the biggest impact. Much of the discussion will take place at www.big-thinking.org.uk where they hope you'll take the time to get involved and contribute your Big thoughts by completing the online consultation survey.
