(1) Free furniture (2) Gatwick Airport Community Trust grant applications 2009 (3) New date for North East Review Panel Meeting (4) 'What a Waste' NHS in West Sussex launches major campaign

Dear members,

- 1 Avert Charity have some office furniture that is free. Firstly about 16 office desks; they are good quality wooden desks with a metal frame; most of the desks have drawers. They also have available 1 metal cabinet about six foot high with shelves and a roller front door, plus three similar cabinets about five foot high. All of these would be good storage for a stationery cupboard or something similar. There are also six assorted office chairs, and a large number of lever arch files and plastic in trays. They are willing to split everything up, so if someone wants just one desk, one cabinet, one chair, or just a few lever arch files they are welcome to them; what they do not want to do is to have to put these things in a skip.
People can view the items any time they wish during office hours, and they can either ring Annabel on 01403 210202 or email her at avertcharity@yahoo.com for more information or to arrange to view. These items are all available free but will need to be collected from Brighton Road, Horsham, tel 01403 210202.
