West Sussex PCT North East Review - Disabled Representation on the Stakeholder Forum

Dear members,

The West Sussex PCT NE Review Stakeholder Forum now has an independent disabled representative who would welcome any comments you feel appropriate that relate to healthcare in the area ranging from GPs, District Nurses, Dentists, Opticians, Community Health Services, Hospital Out-Patients & In-Patients. All comments will be passed forward anonymously. A copy of the October 2008 North East Review News is also attached where you will find further information detailed on page three.

Many thanks –

Janet
